

Phoenix Football Academy

Code of Conduct for Players (Parents)

Players are the most important people in the sport. Training with the academy is important and have respect for all others in the game, not adopting a win at all cost mentality. We learn from achieving of course, but we learn more from understanding how to overcome a challenge without necessarily being given the answers. How we cope with these challenges is fundamentally very important.

- Play because you enjoy football, not to please someone else.
- Make every effort to develop your own sporting abilities in terms of skill, technique, tactics and stamina.
- Learn the Laws of the Game and make every effort to play by them.
- Dress smartly and appropriately and act responsibly whenever you are representing Phoenix Football Academy both on and off the playing field.
- Set a positive example for others and encourage teammates.
- Always be on time.

- Do not attempt to mislead anyone by faking an injury.
- Safeguard the physical fitness of all, avoid violence and unsporting play and help injured opponents.
- Control your temper and what you say.
- Do not use foul and abusive language.
- Respect your coaches by giving good notice if you are unable to attend a session.
